[REDACTED]
moved here 1980

dad [occupation] @ [REDACTED]

attended St Juliana then
San Antonio

met F.V.P. @ San Antonio and

liked him - Mass, preaching, etc
Public studies w/ jr high kids
became class friend - trusted him
because I was new and
he took an interest in me.

When I was 13/14 (?) & think he
moved to St Juliana

We went there because we liked
him

At age 14, my father divorced

He wanted to help me w/ this
& had eggs w/ him

he really helped me w/ grief
Then I became uncomfortable
w/ the way he was "at the
end of the egg" -

• long hugs

• kisses on the lips

Began to have a "bad feeling"
about all this - didn't
understand

My dad wanted me to go camping

- Company trips to Mammoth with F.P.
- w/ [redacted] ; wife : [redacted]
- w/ F.P.
- fishing, camping, hiking
- fun time -
- 14 years old - F.P. gave me coolers to drink

(was he ever manipulating me?)

- F.P. let me drive up to the mountains (long stretch)

- 1st or 2nd night [redacted] asked me if I wanted to sleep in the camper -
- Made one sleeping bag of 2...
- Refer to text for what took place - these things happened over the 3 nights - not all @ once - but grew in intensity as the nights went on.
- I wanted to tell his family - I felt detached.
- Skin to skin contact (hard to focus both ways)
- ^{he} kissed my chest and back.
- Drive home was hardest part - he held my hand the whole way

and during the drive he talked about my parents divorce

- I felt "detached" "sad" when I got home - I woke up crying - I was angry, "rage", etc
- didn't want to talk w/ him for a long time after that - he would call periodically - didn't see/feel for awhile
- I wanted to talk about it - but didn't. Felt there was some thing wrong w/ me.

I felt:
detached
out of it
just living
He was
a friend

my fault?

(refer to text)

1-1 1/2 yrs later I made a "shallow attempt" @ success (but wasn't shy/letting) he didn't want to talk further about this

— Further incidents?

- ① - One time we went skiing - @ (?) don't remember any thing.
- ② - Once @ St Juliana @ rectory ... I don't remember details of the situation - why I was there - I opened up my feelings about my parents divorce and I felt good about expressing my feelings. I was 15 - spent the night @ the rectory - both of us in bed - he was nude - asked me to take off mine (underwear); petting; rubbing; no further contact - activity

At his cabin I helped him build a wall & his driveway - he cooked - brought out wine (I was 17 or so); I got really drunk (I think) - went to other bedroom - he kept asking me to come to his bedroom - I said No; then he came in - laid down; rubbed me - my body, my penis (over my shorts) - I had an erection; I became angry - "is this what you want?" - I left the room @ this point.

This was the last incident.

- I saw F.F. once again when he came to the house - I didn't talk w/ him.
- When he moved to Santa Margarita, he wanted me to come down - help him move, etc. - helped him set up things, etc.
- He's right next to a high school - where kids are the age of Wood & helped him move there!

- I really haven't seen him much - maybe only a couple times (once for sure for Mass).

(What caused you to write now?)

- at family home in New Jersey for reunion - I felt a peace & hadn't experienced before.

- stayed up all night and hand wrote this all out.

- one month later I wrote the Postops

- I have talked w/ my Dad a little bit. He had asked me "had Fr Peter messed w/ you"? I said yes -

The reason my dad asked was that my older brother Tim had mentioned something that Fr P had made him feel uneasy. No allegations - just a feeling.

- What would you like to have done?

- I want Fr P confronted w/ this -
- I want Fr P to understand the impact this had on me
- My wishes are as stated in my letters -
I feel there was more planning involved. but Fr P's actions w/ me than "spur of the moment".

We discussed
pedigrees
exhibitions

He is concerned
about 14 yr olds
@ S. Margenta

- I don't want Fr P to contact me.
- I'd call [redacted] in first week of August. - we discussed the schedule upcoming (me away 7/3-7/14, Fr P gone a good part of July)
- I will meet w/ Fr P. in first of August
- I will meet w/ committee then, too.
- [redacted] is moving to N.Y. @ end of August.

I told him
of our process
- obligation
- contract
- investigation
- course of
action to be
determined

He appeared sincere; open; appropriate in demeanor/affect; made certain not to "overstate" nor "understate". Was a little emotional; very polite. Seemed appreciative of the "process" - had some trouble recalling times, places, etc - kept using the word "detached".

- He has not had any counseling -
"might be interested" -
- We talked about the importance of this
if he needs to talk, etc -
- he needs a specialist in this area @
least for evak -
- I offered to refer him to a specialist
(mentioned V Thomas PhD by name) -
- He might get back to me re. evak
counseling - I told him the Doctor
would cover the evak \$ and then
see where/what he'd need.
- No decision on this as far as he's concerned
but I got the feeling that he will
think about it and might call me.

I gave him my card.
Told him my schedule.
