Dear Father Forry:

I am writing to advise you that I have granted you permission to extend your service to the United States Army as a Chaplain.

I have written to the Archdiocese for the Military Services concerning this decision.

I am pleased to learn that you have found your ministry among the paratroopers to be so rewarding.

With the assurance of my gratitude for the fine work you are doing in the military service and with the pledge of my prayers for you and all whom you serve so well, I am,

Sincerely yours in Christ,
